2017 International Pinot Noir Celebration | Pre-IPNC Dinner Information Form

Pre-IPNC Dinners are optional pre-event meals typically hosted on Thursday night prior to the IPNC. These unique dining experiences offer local and visiting guests the opportunity to explore beyond the seminars, tastings, and activities planned for the weekend. Many hosting wineries opt to coordinate with multiple producers and/or chefs to create truly unforgettable experiences. Some sample descriptions of a past Pre-IPNC Dinner are included below for your reference. Ticket prices typically range between $85 - $200 with 15 to 250 seats available.

Wineries who host a Pre-IPNC Dinner should note that organization, promotions, guest transportation and ticket sales are done by each winery itself. The IPNC does not promote individual dinners, or coordinate sales for Pre-IPNC dinners.

Please provide the following information in order to have your dinner details included on the Pre-IPNC Dinner page on the IPNC website. There is no charge to be listed on the webpage; however, we must receive your completed form by **May 15, 2017**.

Sample Pre-IPNC Dinner Descriptions

"Join us for a magical evening at the Coelho Estate Vineyard featuring our hand-crafted wines, a five-course gourmet dinner, bocce ball and of course, friendship. Featured Chef Bernard Malherbe is as passionate about food as Coelho Winery is about wine. The exquisite dinner will feature seasonal and local foods paired with Coelho Estate Pinot noirs including the 2011 Paciência Reserva, and the library treasures 2006 and 2008 Paciência Pinot noir. We will also be featuring the sold out 2013 Apreciação Estate Chardonnay and the 2008 6-year barrel aged Aventura Port-style wine. Join us at our family table in the vineyard."

"The SE Wine Collective will be featuring a meet and greet with 8 of our resident winemakers, each featuring complimentary tastes of one of their current or library Oregon Pinot Noirs in addition to one distinct Oregon varietal. Before making their way down to the Valley on Thursday, July 23rd, IPNC participants and guests are invited to stop by and experience the range of Oregon wines made at the Collective, paired with delicious bites from our winery chef."
